To,

The Deputy Commissioner,
Mysore District.

Sir,

In continuation of the Govt order No [illegible] dated 24.6.07 accepting the offer made by Mr. Amble Anniah Pandit of Mysore of certain wet lands in the Immavu and two other villages for the benefit of the Sri Srikanteswaraswami temple at Manjan-gud, I am directed to forward herewith petition registered No 87 dated 30th June 1907 together with its enclosures from the said gentleman praying that an ~~entry~~ Cause to be made may be ~~effected~~ in the Khate of the said lands to the effect-- that they are intended for Sevarthas in the Sivakoota attached to the said temple, and that out of the net proceeds of the lands, 10 seers of rice per diem may be appropriated for santar-pane in the Sivakoota, I am to convey the sanction of Govt to the proposed

being made in the khate, which may be effected accordingly.

2. As regards the second proposal I am to observe that the idea of -- having a fixed quantity of rice provided from ~~the gentleman's~~ Mr Annuah Pundit's for use in the Sivakoota sevartha for every day in the year ~~will be very~~ advantegeous to that institution, and go a great way towards diminishing the excess expenditure that is now being incurred. ~~As it is doubtful, however~~ It should hereafter be ascertained, whether so much as 10 seers of rice per diem will become available from the lands in question after paying the Govt dues, ~~Govt consider that~~ and the actual quantity thus found to be available for each day of the -- year should be ~~ascertained and~~ fixed for supply dailyto the Sivakoota. The quantity thus fixed for use on every day of the current official year should be kindly communicated to this Office at a very early date.

is a commendable one and will prove

I have the honor to be,

Sir,

Your most obedient servant,

Secretary,

J. R.
